

Senior Advisory Board Meeting  
Jan. 14, 2020

In attendance: Bill Morris, Jean Thompson, Kathy Wargo, Debbie Caruso, Tom Nichols, John Sheldon, Elaine Adams, Dave Deegan.

2020 officers voted in:

Bill Morris, President  
Jean Thompson, Vice President  
Kathy Wargo, Secretary

Update ongoing project:

Jean Thompson has ordered tickets for Senior Social and they should be in Wed. 15th Jan. 180 should be the max sales of tickets as that is the max seating at Star Cross. As of today 30 baskets have been promised and 50 tickets reserved.

Dave Deegan will put in for PO for \$550.00 needed for deposit on hall, should have by next week. \$550.00 is balance of Committee raised monies being held in the Township account.

Next sub-committee meeting on Senior Social scheduled for Jan. 28, 2020, 10 am. On agenda will be baked goods tally for desserts and plan on providing centerpieces for tables.

New Business:

We will have 2 guest speakers, Leona Mather, Director and Clair Young, Outreach Coordinator, from Gloucester County Senior Services at the Senior Community Center on Wednesday Jan. 29, 2020 at 11 am during the lunch program to provide information on all Senior Services available to our seniors.

We are advocating for a warming tray to assist the kitchen in serving hot food at lunch time. Food is delivered warm but cools down considerably before being served. This would aid in providing hot/warm food.. We have been promised one and Dave Deegan will follow up on timeline for the Township to purchase a good used on from NutriServe.

We were assured by Mr. Deegan that the "take out" portion of Senior Lunches will remain available for those who order take out.

Most are completely satisfied with the lunch menu, but a few have voiced a concern whether attention to senior nutrition is being considered by NutriServe. Bill Morris and Dave Deegan will confirm that all the guidelines are being followed.

Meeting adjourned.
