**OLD BUSINESS:**

1. Sr Club update:

Our next fundraiser will be on August 20 from 2 to 5 PM. It will be a basket auction at the Senior Center.

2. Our senior trips are going really well with a lot of attendance, and the seniors seem to be enjoying them.
3. At our last meeting the library made a presentation and was well received by all.
4. Franklin Township will provide hamburgers and hotdogs and host our next barbecue on September 6, 23 at the Center. Members will provide beverages, sides, and desserts, and the senior Club will provide a surprise entertainer.

**NEW BUSINESS:**

1. Bill Morris states that Jen has been approved for full-time to come and eat lunch program. Question is will the price of lunch be going up since the food will now be homemade?
2. The Township bus is down because of a broken air conditioner. The part is on order and will be repaired. In the meantime, a replacement was arranged by the Township for a Delsea bus to provide transportation for our Seniors.
3. It was asked if the committee could request that the Township put in for a newer bus from the County. Bill will look into it.
4. The Senior Club is sponsoring a Wildwood weekend and is on track with 14 ladies in attendance. We will spend three nights the weekend of October 13th, 14th and 15th. Should be a fun time with activities including a street fair, a car show, oldies concerts, good food and good company. All travel and expenses are the attendees responsibilities.
5. Bill is planning to add a Seniors sub web page to the Townships Page. He needs input on content. Please help with your suggestions and ideas of what information to showcase on a FT SENIOR CITIZENS WEB PAGE.

**MOTION** to adjourn by Bill Morris and motion to approve by Tom 2nd motion by Debbie.

**Next meeting is 09/13/23, 10am.**
