**New business:**

1. Assemblyman Moriarity will speak at our next Sr Club meeting and inform Seniors on different tax rebate programs available to them.
2. We need to double check and see if we have the correct hook ups for the TV presentation, Mayor Bruno will look into that for us and have it available at the meeting.
3. Our bus driver, Joanne, is going out on sick leave so we will have a substitute driver assume her duties until she's back and ready to work.
4. Bill Morris asked Matt if the air conditioning and heater will be replaced anytime soon. Matt informed us that The committee has an HVAC company looking into a replacement cost.

**Old business:**

1. Jean informs the committee that our seniors are enjoying the day trips and we have several more planned to the end of the year. The coming trips include The Renaissance Fair, The AMT production for Christmas and 2 Dinner Theater Shows.
2. We are also pleased with how the Senior lunches have been going. Jen is doing a great job and the food being served seems to be better quality. The meeting was adjourned by Bill Morris.
